

The End Result

But before that.....

And....

Some maybe asking, why didn't Dobson do what Dunnetts doing?

Answer: Dobson's first job after being in hospital for 2.5 weeks!

He's not as young as he used to be but still how to erect a dish 4 stories up!

Even looking through Mt Eden, we achieved 11.3 CNR on Asiasat 3, at 8 degrees elevation

Our customer was delighted to see pictures on his monitor, against all odds JX did it again
